Apology

We sincerely apologize for the defective links in the articles of the "Business Brief" email newsletter that we resumed distributing yesterday.

We deeply apologize for any inconvenience and trouble this may have caused.

We note that the links sent yesterday had a defect whereby certain character strings that should have been included in the URL were missing due to our error. Even if you clicked on the links, no problems should occur beyond being unable to access the relevant articles. We sincerely apologize for causing you concern.

Below are the corrected links with proper functionality.

****
