Sector Coverage

Sanctions D-Day stops short of upending Trump-Xi summit

By EG United States, Clayton Allen, Gregory Brew, et al.

Monday's announcement did not impose major new sanctions; the new measures are unlikely to disrupt next month's Trump-Xi summit or force a shift in Iran's strategy.

Geopolitical competition will fracture global efforts to tackle AI risks

By EG Geo-technology, Nick Reiners, Xiaomeng Lu

A surge of AI governance activity is producing competing geopolitical blocs rather than a unified global regime.
